

**Professional Experience**

Intelligent Fiscal Optimal Solutions (iFOS) is a Service Provider of Financial Services and Management Consulting Solutions. Our goal is to minimize operational trouble spots through an unique service approach. Our team utilizes predictive capabilities to achieve our clients' project goals and service targets.

**Aptitude | People, Process, Solutions**

Since 2009, iFOS has built the "right" project teams to service public agencies and industry. We have the technical expertise, business mindset, methodical approach, and ethical values to resolve operational challenges.

**Our Core Values | Culture Aspirations**

- **Leadership:** We foster an environment of responsibility and accountability.
- **Impact:** No emphasis is put on how much or when we work but meeting agreed-upon deadlines are non-negotiable.
- **Smarts:** We are fiscally responsible.
- **Trust:** We do the right thing for our customers, employees, business partners and global community.
- **Innovation:** We accept challenges as opportunities-not threats. We excel under pressure.
- **Quality:** Quality is not an act. It is a habit!

**Core Services**

**How do we do it?** We gather performance improvement insights, then "operationalize" them, building the appropriate structure, staffing, roles/responsibilities, and processes to meet agencies' objectives. Our primary target is to achieve cost containment goals.

- What tools do we use?**
- Benchmarking Templates
  - Forecasting Programs
  - Budget & Financial Analysis
  - Audit Compliance Software
  - CMS Workflow
  - Gap Analysis Templates
  - Business Research
  - Competitive Analysis

**What sets iFOS apart from competitors?**

- Staffed with Security Clearance Holders
- Zero Tolerance on Staffing Non-Performance
- Cloud-based "virtual" Project Administration with Customized Templates & Tools for Project Efficiency
- Client Benefits Range from High Level Policy & Strategic Planning, Down to Detail Cost Modeling & Analysis
